Bio

New York stadium pop music artist & actress, Rachel Norman invites listeners into a cinematic house tour on her debut album **Coming Home**. Drawing from her theatrical training and inspired by powerhouse performers like Ariana Grande, Lady Gaga and Barbra Streisand, Norman creates a larger-than-life *stadium pop* sound transcending from the studio to the stage.

The **NYFA City Artist Corps** awardee, she's known for her electrifying performances across New York since her 2019 EP *Resist*, later headlining *Queens of Pop* at **HOUSE OF YES**. She also served as the composer and voice of **NEIMAN MARCUS'** national holiday campaign, reimagining "It Had To Be You".

On screen, Norman is a series regular on **GENERATION GENIUS** new animated series and appears in Disney+ **GROWING UP** (exec produced by Brie Larson), with additional work on stage at **The Tank NYC** and in commercials for brands including **DOORDASH, CRUNCH BAR, UNION SAVINGS BANK**, and more.

Take Effect Reviews regards Rachel as a "*candidate for becoming the next household name pop artist*".
